The Story:

havn't been to the retreat for some years as living abroad, but the place has maintained its standards with Sarah being in every way another of the establishments stars. Had a great time with her , without going into too much detail she did exactly what i had asked of her and more!! Its good to know the place is still living up to its reputation for the standard of ladies it provides. Sarah is friendly and takes a lot of pride in what her job entails. She obviously enjoys what she does . Such a shame I don't live in London anymore
