The Premises:

Nice area close to tube, clean and elegant. You need to phone when you are there, as the bell is really loud and disturbs her neighbors!

The Lady:

Francesca is a gorgeous and cute blonde, with a really sexy and soothing voice. She is elegant and wears gorgeous lingerie.

The Story:

I have been 3 times to Francesca, who specialises in erotic massage. Please respect her requests of no touching, but believe me it's worth it.

She currently has a special offer for massage in lingerie of £60 and charges more for topless or naked. Not sure how long this offer will last.

You start off by sitting on the massage table, while she gently massages and caresses you, which is incredibly erotic and personal.

After lying down she gives a wonderful massage with a lot of attention to the butt and anus which I adore. She asks if you want prostate (no extra charge) and gives one of the best I have had (with a latex glove). She starts off nice and gently and if you seem comfortable, can build up to quite an intense workout of the prostate which had me moaning and whimpering like crazy. After a while you turn over and she finishes you off with a nice hand job, but my last visit the prostate massage was so intense I came lying on my stomach still, so never get the hand job, but believe me, I was not disappointed!
