The Premises:

Decent place, nothing special but nothing wrong with it either

The Lady:

Emily is fairly nice looking, more of a cute look than dead hot sexy.

Wears bra throughout treatment, but has a gorgeous large pair of breasts.

She is from Poland and her English is OK but not great

The Story:

Emily does a straight massage with happy ending, nothing else on offer, but that's all I wanted.

The massage started off a bit robotic and I wasn't thrilled, not very sensual, so after a while I asked her to do more on my butt, and do a softer massage. It then got really good, with lots of teasing butt strokes and I thoroughly enjoyed that part of the massage so I suggest you tell her what you like.

After turning over she did a really excellent hand job, with gentle teasing strokes and lots of ball play and she managed to make me last a while, which is not so common. So a mixed bag, did not enjoy start, but 2nd half really made up for it
