Pretty English brunette, slight build, 34b-24-34, 23 years old, brunette. Intelligent, friendly and qualified as a masseur.

The Story:

Booked in for a massage as I was intrigued by the website. The thought of a regular beauty therapist flirting with the dark side of massage (though only with a happy ending) intrigued me. When she came into the room I was more than happy, I paid ?10 extra for naturist and laid down on the couch. Now it usually takes me a while to warm up, but as she was delivering a fantastic proper massage I was getting wood. Very unusual for me. After 15/20 mins turned over to be greeted by her lovely nakedness as the massage continued. Then the "happy ending" commenced. I usually take ages to shoot my load and more often than not I have to DIY, but not today! Expertly administered HR with skill and technique, I may well go back today it was that good. Thinking about it on the way home got me very horny so I popped into Supremes in Aylesbury and got another hand job!
