The Story:

Been doing this sort of thing for quite a while now but never had an experience worthwhile enough to put up a review. Until now! Agency was great and recommended Layla for the GF experience I was after. She greeted me in a tight black dress and ushered me straight upstairs while I got a good look at that arse. We had a bit of a chat and started off with some horny kissing. We then carried on to the bedroom where she gave some incredible OWO. Just really took her time and looked like she couldn't get enough. Eventually onto 69 and ending with CIM. You have to go and see this lady, especially if you like your OWO's. I will be back for more!
