The Story:

Im a lover of natural big bouncing boobs and ladies with curves so Ellen was an easy choice. I didnt notice that she was Latin so when we met this was a nice bonus. I got a thing for a-level so I was made up. A few mins in and i was luv in it. This girl rocks. Behaved like a real slut. Dunno why the girls from Brazil are so horny but this girls made for sex. BJ was awesome and she knows more positions than most and wicked sense of humour. But I luv putting my cock where the sun never shines and this girl really appreciated it. She has a great peachy arse and is so tight. Seeing her lovely boobs jiggle back and forth as we rocked was tops. Would i recommend this girl. absolutely even if you arent an A-level fan like me she can out perform many girls ive been with.
