Very attractive submissive English rose with great tits and the most spankable bottom.

The Story:

I was looking for some office based role play with spanking and CP and by god I got it. Emma is a fantastic role player and knew just how to keep the interplay going. She is very submissive and took a severe hand spanking very well followed by a dozen strokes with a strap and the cane. Emma even said she thought two more strokes were required for her to fully repent and did not require any payment. What a complete star as the strokes were not light in the first place. Her personal services were great - prolonged deep oral with and great doggy shagging of her lovely tight pussy. Cannot recommend too highly.
