The Premises:

As previously reported.

Just a few mintues away from M1 J25/A52. It is easy to find with safe easy parking nearby. The entrance to Leilani's luxury apartment is very discreet and she normally opens the door as you approach. Saftey has never been an issue.

The Lady:

Leilani is in her mid 20?s; she is 5?-8? tall without her stiletto heels on, she has gorgeous brown eyes and waist length brown hair and the kind of body that a lot of girls would die for. And her beautiful 36DD tits are 100% natural. Add to that her bubbly personality and her determination to give her clients 110% satisfaction and you can see why all her other reviews are so positive.

The Story:

Leilani is an Hawaiian name meaning Heavenly Flower and I cannot think of a more apt name for this beautiful young lady. She is an absolute stunner both in looks and performance.

I first visited Leilani in May this year and instantly became addicted to her. The fact that I have been back to see her SEVEN times since then is surely proof of that.

Treat her with respect and Leilani will bend over backwards to make sure that you have a good time. And her GFE is out of this world !!!
