The Premises:

Much reported-on: lift off the street up to reception and rooms. These are well-decorated (and there always seems to be at least one of them being upgraded). On a higher storey, there's a dom. area.

The Lady:

Ruby's fairly new to Blue Ice, and has returned to work after a year off. She's medium height and build, with nice hair, lovely boobs, good legs and fantastically sexy eyes.

Indy's been at Blue Ice a little longer. She actually is of Indian extraction, and is shorter than Ruby. She has beautiful dark brown nipples on good-sized tits; also very long black hair.

The Story:

We used my favourite room here: funny shape, but with plenty of space, and mirrors all over the place.

They worked very well together, and were enthusiastic in urging me on. I can't prove that they weren't faking it, but, if they were, it was damned good acting. They were just so friendly and amenable, and we did all the usual 2-girl things, such as OWO (?10 each on top of the basic ?80) from one while RO-ing the other, then a change- around. They were both fucked in various positions while I DFK'd the other, before I shot a load all over both of them (bellies and tits)-mostly on Indy, to Ruby's disappointment, so I've promised her that, next time, she will get her fair share. Now, one can't say fairer than that, eh?
