The Story:

Originally advertised on a different site with some very good reviews. However they must be false.

Had a shower as I do always.

Terrible service as I had book 3 hrs based on the reports. Did not provide any of the services advertised. Kept her knees up during mish. Tickled my back thinking this would turn me on. No touching was a common request by her. When I asked about advertised services told me I should have checked on the phone. Cut my loses and changed to 1 hour and left with ha refund of balance.

Don't waste your time with her.
