The Premises:

Travelodge hotel situated right next to Euston overland station. Simply walk into to reception and press lift button, couldn't be easier.

The Lady:

Late 20's mixed race voluptuous black girl, 5'7. Very curvy indeed, perhaps a size 18 with a massive pair of breasts, 36J spilling out of her bra. Very large thighs and bottom which was perfect for me. Not everyones taste though. If you like the girls in Voluptuous magazine you will love her!!!

The Story:

Shanice opened the door of her room and the first thing I saw was a bulging chest, I knew then and there I would have great time and should have stayed longer!

Started with me making her stand in front of a very large mirror with me behind, i felt her up and undid her bra releasing those massive weapons of erections. She has a big bottom and great thighs which i stroked and squeezed whilst she stroked my awakening member.

Moved on to the bed where she immediately knelt between my legs and started giving me great OWO, no questions asked, she was very generous. I loved watching her hanging tits as her head bobbed up and down. Made her dangle her tits in my face for a bit until i was ready to put on the armour and take her from behind vigorously.

Then made her stand up and lean over desk whilst I took her from behind in front of a big mirror, I was transfixed by those massive mammaries swinging with each thrust. It was all quite overwhelming.

Eventually, I spread her very large thighs and took her on the bed missionary, gave her a good number of hard thrusts before releasing the load.

This is the best experience I have had in a long time. Apparently she will soon be appearing in Score magazine which will propel her to stardom, no doubt her price will rise, get her whilst she is cheap and generous!
