The Premises:

A short walk up the road from Caldenonian tube, terraced house on the main road. Directions ok but had to ask a couple of times to get the house number right. Door opened quickly. Safe enough in the day time. House clean.

The Lady:

Miki was described by the maid as half Korean and Japanese which I think was a true. Miki was relatively tall if a little chubby and around late twenties. She was dressed in a nightie that covered any chubby bits initially and I was offered a choice of two ladies.

The Story:

The maid was accurate in what she said on the phone and promised the girls gave a good service. Miki's attitude was very good, she smiles, appeared keen and asked quite a few questions. I paid ten pounds over the basic fee of fifty for owo. Miki got down to action and gobbled enthusiastically, sucking for a good 5 mins. We then donned the raincoat and covered mish and doggie. No pressure to speed up, took it at my own pace, no complaints from Miki. After fifteen mins I asked for more owo which she did well, finished on her tits and she cleaned me up. All in all good attitude and service, the maid is pleasant and accurate, good value, I'll be back...
