### The Premises:

Nice flat in upmarket block in South Ken, few minutes walk from South Ken tube (same block from which Briony and Annabel work - wouldn't mind a job there as convinced most residents are gorgeous oriental escorts). Unobtrusive concierge - just went straight to lift and Kassia's flat.

### The Lady:

Kassia is simply gorgeous. Photos on Olina website are accurate. She's a very pretty and surprisingly tall Thai girl (website says Japanese but definitely Thai). Loved her as soon as I walked in flat. Stunning girl, very fit, very horny.

### The Story:

Had fancied seeing Kassia for a while. Liked her photos on Olina website. The cheeky look in photos is for real. She's a cheeky and very affectionate girl. Lots of nice kissing and her oral skills are excellent. Really lovely arse too, though she was not at all interested in A (fair enough, I wouldn't want it either!) Spent most of the hour with my cock deep in her sexy mouth. Wished it would never end. She sucked me relentlessly and enthusiastically, lots of the time with me above her fucking her face. Pumped her mouth full of cum and she swallowed some. Good girl. Also fucked her pussy but never really get on with condom so moved back to more of her lovely OWO, which she was very happy to oblige me with. Really nice personality. Could easily have her around me permanently. Such a sweet and lovely girl. Wish she was mine. Can't put Kassia out of my mind, very special girl indeed. I'll be seeing a lot of her.
