The Premises:

Great place with a discreet entrance that's not locked - just walk right in. Once inside there's a buzzer and a security camera so they can check you out before letting you in. Nice reception area, very friendly and helpful receptionist, private relaxed area to meet the girls. Nice rooms and all very clean and comfortable. This was my first time that I'd used the services of a working girl and they did all I could ask to help me feel at ease. I felt totally safe and relaxed - mainly due to the lovely receptionist.

The Lady:

Suzie is a beautiful young Polish girl with long black hair, lovely green-ish eyes and she has a magnificent brown all-over tan. Physically, she is magnificent! Such a beauty and such a great body. But it's her lovely personality that made the whole experience so unforgettable. It was my 'first time' with a working girl and I'm so glad I went to Intimate Massage and chose Suzie. She was wonderful. Kind, funny, caring, and very attentive to my needs.

The Story:

We had a nice slow warm-up where we slowly undressed each other followed by a bit of cunnilingus, then a mixture her going on top, me going on top and oral sex. It had been a while for me (if you know what I mean) and when the explosion came after this great slow build-up, it almost took my head off! After that we did it all again, followed by a lovely long period of gentle stroking and cuddling. Suzie you are one hell of a girl. You made an old (retired!) guy very, very, very happy. I can't wait to go back! That lovely girl drained me of every drop I had to give.
