The Premises:

Her boudoir is a cosy little flat in south London. After very clear instructions on how to get to the nearest Tube Dolly was kind enough to meet me and guide me to her place. Decorated in a very eclectic style, it was cosy, comfortable and ensured a wonderfully relaxed atmosphere from the start.

The Lady:

A stunning lady. The photographs on her site just don't do her justice. From the mischievous glint in her delightful eyes, or the sensuous nature of her lips.....
What can I say she truly has to be seen in the flesh..

The Story:

To misquote the add, You know when you've been Dolly'd.

She takes care in everything she does. From the warm get to know you chat on the phone, providing lunch and nibbles to maintain your strength (ehem), to being attentive to your every desire. She is one special lady.

I'm not one for detail, what can I say but that I got everything I could have wanted out of our liaison and more :-)

It's no surprise you have to book well in advance to ensure a meeting.
