The Premises:

Nice, discrete duplex flat in a good part of town. There is parking across the street and the entrance is not overlooked to the apartment building with easy acces to ground floor flat. Very comfortable home with eclectic design that is striking but in keeping with period features. Very welcoming ambience.

The Lady:

Quite simply gorgeous! Lovely smile, very open and welcoming personality which shines through. Amy makes a real effort to look attractive and greeted me wearing a nice dress, stockings, high heels and with a tantalising cleavage that was to die for. She has lovely long dark hair, beautiful soft skin and wonderful breasts with a curvaceous body that is so sexy - a joy to behold and to hold!

The Story:

We chatted for a little while-I appreciated this as I was so anxious and nervous. I never felt rushed or unwelcome and we went downstairs to her beautifully appointed bedroom where she helped me undress. I caressed her lovely breasts and we lay down on the bed in front of a large mirror and she performed OWO to the hilt (which was a new and mind blowing experience for me!) I came over her breasts and felt the initial pang of disappointment that my time was over but not a bit of it. We cuddled and chatted for a while and then she rubbed herself against me, took me in her mouth again and after putting on a condom she sat astride me and I was in heaven! Her lovely breasts were in my face and then she leant back and rode me with her wonderful body bouncing up and down. I had this exhilarating view of her lovely shaved body gyrating on top of me - you had to be there to truely appreciate how lovely it was! After that we cuddled some more - no rush, no clock watching, in fact, I had to leave because I was running late. It was a fabulous GFE and one I would highly recommend. She is a nice person and she should be respected as such so if you go and visit Amy on my recommendation please treat her well and you will not regret it!
