The Story:

Had my eye on visting Nikki for a while and finally arranged it after a recommendation from a reputable member of this forum ;)

No problems with the booking, quite effecient, even all my requests were forwarded to Nikki. I was running about 20 mins late but so surprised how well the agency & Nikki were still so friendly and understanding about it.

Arrived to Nikki dressed in a secretary outfit (my request) and she looked so edible. She made me feel extremely comfortable with a bit of conversation and her wondering hands.

Started with a Bbbj and it wasnt very long till I let it go in her mouth and she swallowed every drop. Chilled for a bit then onto the main session, she asked if I've ever been rimmed and my answer was no, so she began and well, juries out on this whether I liked it or not, more oral for me and I returned the favour, apparently she came :) onto some doggy and mish which soon had me bustin a nut again. She cleaned me up and even sucked the last bit of juice in the tube which felt amazing. Didnt get round to any a-level but hopefully next time. I must mention that she is not a clock watcher and Im sure we went over our time but I never felt rushed even when I was leaving.

Really nice girl and totally knows how to make someone feel at ease. Looks, personality and sex appeal all in one package. Had a great time.
