The Lady:

Looked fantastic when she opened the door. Firm busty (I am no judge but >DD), great figure, smooth silky skin, smelled great. Early to mid 30's - 34 I think.

The Story:

I was early but that was OK. No rush, sipped bubbly first with a catch up on our news (I have known Joanna for years - used to call herself Lady Catherine or Kati in Southampton). She really is a GF of the highest order, great kisser. Sex on legs is understatement; this time she came three times and I thought she was going to explode her orgasms were so powerful. She just loves to be licked and play with herself at the same time as being fucked all while watching ourselves in the mirror. Then she turned on me with great BJ and licking in the naughtiest places. Fantastic orgasam, cum all over the place, more kissing and finished the drink. Well over time but again no issue. Back soon Jo ..."
