The Premises:

Very small, top floor flat five minute walk from Gloucester Road tube. Clean, tidy and in a nice area of town.

The Lady:

Unusually, what you see on the website is what you get. Tall, slim and blonde. Cheeky smile. Lovely.

The Story:

The worst thing is climbing the stairs to the fifth floor. Everything else is fantastic.

Vicky opened the door with a smile. I was offered a drink and a shower. And then when I came out of the shower...deep, deep french kissing for pretty much the entire hour...I went down on her...she went down on me...sex in several positions. Its all a bit of a blur really. After I finished I had a shower and a chat and then pretty much floated back to the tube station.

If you enjoy lots of deep french kissing and OWO with an enthusiastic sex partner then Vicky will make you feel like a king. If you don't then you will have to look elsewhere.
