The Premises:

Annabellas. Everything has already been said.

Shown in by Lottie who was receptionist for the day, offered a drink and shown into a room.

The Lady:

Offered a choice of two ladies, introduced to Chloe first, and by that time I had already made up my mind.

Chloe must have been about 6' tall in the killer heels she was wearing.

Since appointment checked the website and she is everything it says on the tin. Mid 30's, 5'8", 34c, size 12 and British.

The Story:

Got to money out of the way and then straight in with some snogging.

We then gradually undressed and proceeded to the bed, where we fooled around for a while. Oral followed then we ended up in a 69.

Chloe then stood up and bent over the end of the bed for me to take her doggy style. Other positions followed and then we had a chat while recovering from exertions.

Would I recommend? Yes, especially if you are over 5'10". Chloe is the tallest girl I have ever had the pleasure with. Therefore no stretching required by her or crouching by me for things to fit where they are meant to.

Will I visit again? Yes
