The Premises:

Clean and comfortable studio apartment in quiet residential block.

The Lady:

Gorgeous golden girl. See her on her elegant and literate website. She has a warm, sunny, down to earth personality, an enquiring mind and takes an intelligent interest in the wider world.

The Story:

I try to visit Candy whenever I am in London. What makes her special for me is her Tender Loving Care. If the chemistry is right, she can transcend her escort role, and metamorphose into an exotic mistress, a tender lover and a friend.

As one septuagenarian to another I can only say, "Eat your heart out, Berlusconi. I have Candy and Candy is the best!"
