The Story:

Before Mel entered the room i slipped on my customary tiny thong, and stockings a fetish of mine. Mel entered wearing basque and little black G string she looked great. She knelt on the bed kissed me and felt my cock through my panties, she then slipped out of her Basque revealing those FANTASTIC TITS, excellent. She continued to rub my cock and kiss me whilst rubbing her breasts over my body. My cock was getting real hard by now, Mel offered OWO for an extra ?10 i accepted and she started sucking my cock fantastic tongue action great eye contact and some deep throat, this girl knows how to suck cock. I was now rock hard and just wanted to see Mel wiggle her ass about so i could then FUCK her, she bent over tiny thong just covering her pussy lips, she slipped it to one side and revealed her shaven haven. Mel then slipped on a condom and lay down so we could FUCK in missionary position to start she was wet and juicy so i banged away i then fancied doggy which Mel seemed to enjoy that alot and played with her clit while we fucked. I asked if she did CIM she said yes for ?10 extra, so after great sex off came the condom and down she went sucking again until i erupted fillig her mouth we my hot spunk absolutly FANTASTIC. Mel is truley a great shag and very horny, my only regret is i did not get her too sit on my face, i will put that right on my next visit. Thanks MEL i will be back.
