The Story:

Went to Scpio to see Haylie. Having phoned before I went to confirm she was working was rather disappointed that she wasn't there. 4 other girls to choose from so booked Natasha as she looked good. Nice soft massage using her hands in all the right places but unfortunately that was the best part. After turning over I found Natasha I found rather distant no kissing, no owo or reverse O. I have been to Scpio over a number of years but never been this disappointed. Nice lady but just didn't do it for me.
