The Premises:

Accessed via a grotty old alley down the side of a newsagent's in a so-so area, but OK once inside.

The Lady:

About 5'8, OK-looking, athletic body, nice firm handful of tit to grab hold of.

The Story:

Pleasant girl, gave decent oral (partially OWO then stuck a rubber on - don't know what that was all about !), nice tight pussy. Best thing about her was she played along really well, making believable noises as I pounded away. No A-levels or CIM. All in all though, not bad value on a rainy Saturday afternoon when you really need a shag !
