The Premises:

very discrete apartment 5 minutes walk from the town centre. felt very safe and was very clean indeed. lovely lounge area with spiral staircase leading to her boudoir. shower facilities offered both before and after service.very very discrete indeed

The Lady:

lovely lady,little blonde bob, baby blue eyes, 38c boobies all her own and a nice curvy size 16, absolute peach of a bum and legs to die for.

The Story:

told cindy prior to our meet that i was a little nervous, and when i arrived she put me at ease right away, after a few minutes it felt like i had known her for ages.cup of tea was offered, which i declined, just wanted to get to the main course.cindy really made a fuss of me, undressing me taking care of my clothes. once undressed we explored each others bodies,plenty of kissing and cuddling, oral both ways, sex in mish, doggy, finishing off in cindy's mouth, and i never saw her spill a drop. will have to make a return trip to see this lady again, so many avenues not explored. cindy does everything from B to Z. she will let you rim her but no anal sex which is fair enuff because she is very tight. cindy is truly a hidden gem. you will need to go a long way to find another girl like cindy.
