### The Story:

as soon as Dee Dee walked in the room i knew this was going to be good! i was still half dressd when she took my already stiff cock into her mouth and started sucking my whole length deep into her lovely soft mouth.finally getting us both naked she lay me down and gave me a very good massage,but it wasn't long before she started rubbing my balls and stroking my cock,then she was sucking my cock again, a little harder now and i new that i wouldn't be able to take too much of this before i shot my load. so on with the condom and she started to fuck me cowgirl style whilst i squeezed thos lovel tits.ahter several minutes of this i put her on all fours and started to fuck her from behind. i thrust in and out of her tight little cunt and she ground back against me,it was fasntastic! i started to fuck her really hard now driving my cock deep inside her so my balls wrer banging against her soft arse,she was urging me on "fuck me" she said over and over again, then as she sensed that i was getting read to come she whipped round took off the condom and sucked me off as ispunked into her mouth.fantastic !! and we had a really long cuddle afterwards! outstanding!!!!
