The Lady:

Rachael has a very sultry italia look about her she is both tall and leggy also very vivacious looking mid to late 20s

just the right amount of breast to caress and nibble along with that curly black just below the shoulder Raven coloured hair

she looks after her self and supports a full all over body tan.

standing at close to 6ft in hr heels dressed in a little pink tunic and a nice pair of lace top black hold up stockings

hiding a nice little red panty and bra set underneath her tunic very very sexeee.

The Story:

second visit to this luxery piece of ass and i do mean luxery very hot in the room

full on body massage inclusive of licking and gentle nibbles from top to toe fellas.

service was excelent and amongst one of the best no rush services i have had at this parlour she is new and definately a great aset to the parlour.

its not what we did that matters ts what we did not do and it must have been good cause im still smiling and thinking of her

you have to see this one thanks rachel xx chef
