The Premises:

Basement flat with an unusual circular bed. Close to Anerley station and easy, free parking in the street behind the flat. On bus route(s) but don't ask me which! Front and rear entrances - I used the rear entrance as is my wont! Clean and welcoming including shower facilities.

The Lady:

Very attractive and curvy black girl in her twenties. Yes - she does have an attitude - a superb one! Another great addition to Debbie's stable of sexy and willing women. The icing on the cake was her amazing dense growth of bush, thick but short - heaven for me!

The Story:

Again, I'm writing this report a little too long after the event to recall all the details of our session. Suffice to say however that I will be back!

A really sexy and unrushed session with a gorgeous and willing young lady.

Highly Recommended.
