Rosemarie is a real stunner, the pictures on the website are accurate but shes even nicer in the flesh. She is very attractive, and has a great personality. She has a great figure and a fantastic set of boobs.

The Story:

This meeting was handled at the last minute by the agency, thanks very much for your efficiency Admiral, ill definately be using you again. Rosemarie greeted me dressed casually and we sat down and got to know each other for 10 mins or so. She speaks very good english and was explaining to me that she would like to be here longer but the competition is so large at the moment she may not be around for longer. Shes going back home in 2 weeks for xmas, but hopefully will be back in Jan. I do hope so, as shes someone ill quite happily spend some of my hard earned on! Shes so very pleasant. After our chat we went over to the bed and she gave a lovely little lapdance and we fell on the bed afterwards in each others arms. I wont go into what happened then but i tell you know it will be repeated for a much longer session in the future. I would have loved to have stayed longer this time but she had an appointment so I cut things slightly short to help her out. Cant wait to see her again!
