The Premises:

Nice apartment, the parking could be a bit tricky but there is the tube at walking distance for the public transport lovers.

The Lady:

Stunning. There are no other words about her, a bit shy at first but soon became sweet and caring.

The Story:

An hour just flew by. Stay in the bed with such a beauty was fantastic, the fact that such beauty was also up for almost anything made the whole thing an experience to remember. Apart from anal (which wasn't on offer anyway) she pleased me in everything. Good kisser and passionate sex, her oral skills could be improved but with such an angel face she made up very well. I would like to visit her again.
