The Premises:

Clean, but not particularly inviting - a lot of suitcases and other mess in the room, and the bedding didn't look very inviting.

The Lady:

5'2" Pretty Korean girl - age given as 22 and no reason to query that (even allowing for the usual difficulty of defining age in Oriental girls) she was very attractive, not in a model way, more the girl next door, but lovely breasts with good nipples, and lovely skin. Not shaved, but not hairy.

The Story:

April was absolutely charming and very sexy, but this was a real GFE with some plenty of nice kissing - OWO and reverse happily accepted, as was rimming, although A level was not on offer [no problem for me] This was an enjoyable time spent with a very nice girl who gave fantastic value for money and filled the 30 mins generously and with enthusiasm.

Thanks, by the way, to earlier reports of identifying this place - a very pleasant experience, although it would be good if they spent some money on decoration. The maid/madam is called Helen, and she is also very friendly. A totally non-threatening experience.
