The Premises:

Stunning Victorian house in South Ken, near South Ken tube station and loads of parking places. Very clean and very warm welcome from 'host'. My only addition would be a fan, it got hot in there ;)

The Lady:

Natasha is better in the flesh than her profile photos. A real stunner with a tiny waist, seductive smile, magnificent breasts and truly delicious..... She also has great shoe taste which remained on throughout ;)

The Story:

Natasha provides the perfect mix of PSE and GFE. Her oral is out of this world, something she should start teaching to almost every past girlfriend I've had. She also seemed to really enjoy having the attention turned on her, something I was only too happy doing for a prolonged period of time, she tastes delicious... Try her, you won't be disappointed, I know I will be back x
