The Premises:

Clean and tidy flat with nice maid (was chatting with her for about 10 mins as both girls were busy when i arrived) not bad location, residential, parking is easy enough.

The Lady:

Beautiful, smiling, horny, (italian/greek/spainish??) lady, nice tits, and a lovely round butt which looked fantastic in her corset and stockings set with high heels to boot. She is very bubbly and very enthusiastic, abit quirky...lol...and enjoys her job.

The Story:

Started with a massage, then turned over have a sexy kiss and then have my balls and the bit between my arse and balls licked!! very nice...had a very good covered bj, fingered and ate her pussy which she liked (she got quite wet!!) followed by sex, another bj and then her wanking me over her tits to finish, while i fucked her with my fingers in her now very wet pussy. Wasn't quick to run off after happy to kiss and cuddle till time was up and then cleaned me up, handed me my clothes, so i could get dressed on the bed with her sitting beside me...very nice experience
