The Story:

I'd had a previous encounter with Amy that was great, so was hoping that wasn't just luck. I was met and made welcome by a very pretty slim blonde. After financials, had a very quick shower (found the girls appreciate a clean punter) and settled on the bed with Amy in sexy underwear. And that's when I realised that my memory hadn't deceived me ? she really has a Barbie doll figure. Some nice relaxing chat led to peeling everything off, and there was the next treat, absolutely perfect boobs and shaved pussy. After some light kissing I let my tongue do the exploring, which seemed to be appreciated. She returned the favour by taking me into her mouth and giving the silkiest BBBJ I can remember. This girl was just way above what I usually experience ? I hope the others from this new agency are as good. Once covered I was in for the biggest treat yet, a wonderfully tight pussy. Amy didn't take the lead but was happy to follow directions and we went through a whole range of positions, forwards, backwards, on top, sideways ? doggie was my favourite as she has the cutest bum to bounce against. She let me finish on her boobs and gave the randiest giggle on seeing the coating I'd given her. Best 30 minutes ever and way too short, I left with the biggest grin on my face. You bet I'll be back.
