The Story:

Had to make a booking to see Kiran since she was busy. I've known Kiran for some time now and she provides a gr8 service hence I keep returning for more. She has been with Blue Ice for some time and has previously been known under a different name. It was an hour booking as usual and it flew by.

Not to go into too much detail, we started off with a massage. She gave me a body-to-body and I returned the favour with a relaxing massage. I then offered to play with her clean shaven pussy, which she thoroughly enjoyed and soon made her cum. This certainly put a smile on her face.

Kiran then gave me a lovely o.w.o, wow it was awesome ... until I couldn't take it anymore so I asked her for the main event. On with the condom and we had sex in several positions, including doggie which is her favourite position!!!
