The Premises:

Tamzin was working from a flat run by the Agency in a select and safe area of Edinburgh. The flat is new, well-looked after and provided all the amenities one would require.

The Lady:

The pictures of Tamzin on the agency website don't do her justice. She's a cute little package! She wears glasses (so sexy in my view) and her breasts are all her own. No synthetic enhancement here!

The Story:

I won't go into detail suffice to say Tamzin in provides an excellent all round service as she happily states that she enjoys sex with clients.

We began with a little mutual oral. Tamzin's oral skills are based on a very gentle approach which provides an interesting contrast to other girls in Edinburgh. We then moved on to reverse oral, which she clearly enjoyed as after some time and effort she climaxed through clitoral stimulation with my tongue and mouth while I internally massaged her pussy with a couple of fingers. It is worth noting her pussy is one of the sweetest I've tasted - so no cleanliness worries! We ended our encounter with covered sex... first in doggy and then into one of my favourite positions that ensures good penetration. If her reaction was honest, she was more knackered than me in the end!
