The Premises:

Very clean very nice place located in a quiet area of the town. Very safe area with adequate parking in street outside and with a special offer of no door charge, running I believe until Christmas!

I rang and spoke in advance to a very helpful lady (whom incidentally makes an excellent cup of coffee!) and was given the address and told Chanel's details. All of this was done in a helpful and cheerful manner that I often find is a good sign if the initial enquiry phone call goes well.

The Lady:

Lovely 5'2" 5'4"ish long haired brunette lady, very slim with about a 34D natural bust and all the right curves in all the right places!

The Story:

Upon arrival I was shown into a warm spacious room with a large bed, great mirrors and a big flat screen TV with adult movies playing. I came straight from home so was fully showered and clean but I think they have a shower available if you need it.

I had just made myself comfortable and started to drink the coffee offered on arrival when in comes ?Chanel?, WOW all that sexy lady contained in lots of lovely lingerie.

We had a brief chat and a laugh before agreeing on the ?70 service, which covers most things off the menu except anal which she does not offer. So having sorted out the financials we were off! Starting with her massaging me and then on to some delightful OWO. After a time we swopped over, with me massaging her followed by some great RO. Then we put on the condom and started in missionary with her legs wrapped around me before moving to doggie for a vigorous, delightful, glorious lost in the moment finish.

So fantastic place, beautiful fun lady and my post punt silly grin on my face ? wonderful!
