The Premises:

Smart ground floor flat adjacent to South Kensington Tube, busy street, but as safe and discreet. Clean lounge area and bedroom with en suite facilities.

The Lady:

Dark haired, 30's, busty with silky tanned skin, the web site pictures are accurate, but if anything do not do her justice. In my experience this is often the case.

The Story:

I have wanted to visit House of Divine for some time, but rarely do I get to Milton Keynes so was interested to see they were moving into Central London. Additionally I had also wanted to meet Natasha so today I managed both.

The booking was handled quickly and efficiently, and I was called back with the address within 5 minutes. Arrived on time and was shown to the room and given a drink. Natasha appeared a few moments later and I was pleased to see she was as good in the flesh as her photos. She was wearing very scanty undies which showed her figure perfectly. I was greeted with a kiss which soon developed into FK, and mutual fondling. We soon adjourned to the bed, OWO, RO 69, finishing with sex in cowgirl and reverse cowgirl, before I finally came. We relaxed for a few moments before Natasha offered a teasing massage, which seemed to see some stirring down below. More OWO, an oily boob massage, I didn't think I would come twice, but after some "dirty talk" (see the thread on PNMB) I managed to come over her lovely tits.

There was no clock watching, and I actually ended the appointment a little early as I needed to head back to work. In closing this was a great time with a girl with a great attitude. I'll definitely be back. If HOD keep this standard and rates they will have a success on their hands.
