The Premises:

Clean, basement flat in Lancaster gate. Very well to do area and a well looked after flat. Considering the action it gets its amazing its in such good clean condition.

The Lady:

Wow Wow Wow Wow!!!!

and wow again

7 girls, all incredibly hot and keen - brunettes, blondes, Europeans, Brits, Brazillians - the only thing that they have in common is that they're all incredibly hot and committed to giving punters a good time.

The Story:

Guys, if there is a better way to spend ?120 i don't know what it is.

The party starts on time and all of the girls are hot and committed. OWO is available for some, kisses from other but all will make you come regularly.

With refreshments available for recovery it really is a great experience.

All i would say is pace yourself and you'll have an amazing time and in particularly keep your eye out for Jewell - the best of the best!

Enjoy!
