The Story:

I have searched all over London for a PSE girl who does everything I want and finally I find this star on my doorstep! I cannot recommend Kimberly enough. She Deep throats, she lets you hold her hair while she sucks you, she begs you for sex and you come where you like. She has an awesome waist and great tits. I have seen her 3 times and every visit I leave with the biggest smile on my face. I am torn between keeping her to myself and telling you lot about her but in the spirit of sharing... don't mis out on this absolute babe.
