### The Story:

Bliss does just about everything you could think of, started with the massage and got cock hard before it disappeared down her throat. Bliss licked and sucked my balls as well for ages. My fingers explored her pussy which was very wet so i started licking her out. Most enjoyable. She cums noisily and with much pleasure. ON with the rubber for some good old fashioned shagging and took her doggy. I could feel climax was not far away so stopped, took off the rubber and it was back to a blowjob. In no time at all I spunked in her mouth and she swallowed it all. Totally amazing shag.
