The Premises:

Nice apartment in a quiet road away from traffic. Clean place but very small room - single bed so not alone of room to move around.

The Lady:

Pretty girl, big boobs but they hang a bit low which is why she always wears a bra in her photos. Still nice to play with though. Petite and cute.

The Story:

No OWO as she had been to the dentist the day before which was disappointing. Had asked the agency to make sure she did this. A few positions and finished in doggy. Had a so so massage and then on to round 2. She answered the phone halfway through and even wrote a text while i was inside her from behind?! I did enjoy f*cking her and playing with her tits but i've had better.
