The Premises:

Web site says in South Kensington but actually 5mins from Gloucester Road tube. Very safe upmarket street. The flat is on the Ground Floor and is of a very high quality. Bedroom was very well done, clean with an en-suite. Like a high quality hotel. Easy to find.

The Lady:

First time to meet Olivia. She is slimmer than the web photos suggest, probably size 10, approx 5' 8", 34C/D, dark straight hair, would say late 30's. Pretty with lovely black lingerie with stockings and high heels.

The Story:

Olivia made me feel very welcome and we started kissing, then stripped down to a cuddle followed by oral (with). Then doggy in front of the wall mirror followed by excellent teasing of my cock. Eventually came on Olivias tits. Very enjoyable. Olivia has a number of excellent reports already and these are very well deserved. Recommended.
