The Premises:

A minutes walk from queensway station, safe area but busy during the time I visited. Nice clean tidy room.

The Lady:

Gorgeous and has a lovely smile, looked much better in real life than in her photos. Nice tats and tits as well.

The Story:

Cherry and the agency were very understanding as I arrived a hour late from my original appionment but this did not affect then outcome of the best punt I have had so far. After payment had a quick shower, then jumped straight to an awesome OWO which lead me to unload in her mouth, no rest with Cherry she was straight back on the assult and then got me up to do a few postions before doing anal then she finshed me off with another OWO. Then had a quick shower and chat and was on my way with a big grin. Top girl with nice a blend of PSE/GFE and puts in 110% to satisf you.
