The Premises:

Bungalow in residential street, safe enough area, easy to park on street.

The Lady:

Sarah is a slim blonde in her early twenties, pretty in a girl next door way, very friendly and eager to please.

The Story:

Some of you may know Sarah from another establishment in Hadleigh that has now closed down, she worked there under the name of Lisa.

The rates here start at ?50 but I went for the ?70 special which includes OWO, Sarah is willing to give most things a try, within reason.

My main complaint with this establishment is that they refuse to accept bookings, I have to drive for 45 minutes to get there so their policy could put me off in the future.

No complaints with Sarah but I prefer being able to book before I set out, I can do that with most parlours.
