### The Story:

When I rang and spoke to the maid of the establishment China Blue she said the girl was 5'6", a B cup and 24 years old. So I went for it.

When the maid showed me into the room with the girl I should have walked out .... she was more like 42 and had the odd black tooth. I still haven't learnt the power of saying No, I don't want to offend (yeah I know I am the paying customer!!).

Started with a back massage, and then onto a bit of hand relief. I decided I did not fancy having sex with this woman so let it stay to hand relief and laid back and thought of the pretty stripper I had seen in a lapdancing club the night before. Fortunately it did not take too long and I dressed and left.

Not the prettiest of women by a long shot, and I would want to see her again, second time the women at this place have been a bit ropey - guess I should have learnt my lesson the first time!
