The Lady:

Wendy is a Chinese girl around a dress size 10, with lovely C cup breasts and trademark button nipples. She was wearing a very short red dress with black tights.

The Story:

This is such a good place and once you get used too the butler phone/door entry service, there is usually no waiting.

The massage was very soft and sensual, just as I asked and there was a lot of ball caressing so it got me in the right mood. When I turned over Wendy was topless, but on my request, still wearing the tights. I sucked and fondled her ample breasts and squeezed her bum. She lowered her tights to reveal her pink panties and with one hand fondling her bum and the other fondling her breast it wasn't long before I climaxed.
