The Story:

This was the first time I'd visited Ego massage, fancied a relaxing massage for a change, and thats what I got, chose the half hour option, got naked and lay face down on the table.

Myleen was competent at massage, nice and chatty, and had a giggle, at one point I could of dosed off to sleep lol, time to turn over, and Myleen did my front, and started to play with junior, was nice, and was soon hard In her little hand lol.

I had a nice time with Myleen, would recommend her.
