The Premises:

Debbies is a well-established parlour near Anerley train station. Entrance is by front or rear, the maid, in this case Debs herself, is always friendly, and the place, as described many times before on this site, is orderly.

The Lady:

I had seen pictures (minus her face) of Holly, who told me she was from Kent, on www.debbiesmassage.com, and, knowing that she is normally busy, decided to pop along.

Holly is quite tall (she said 5ft 7in), a slim size eight with A cup breasts and lovely erect nipples.

She is naturally a brunette but has long, blonde hair and, facially, is absolutely stunning. She genuinely is as pretty a working girl as I've ever seen.

She has the face of an angel - so much so that you can scarcely believe she is a bad girl!

Holly wore a basque and some tiny knickers, with fishnet stockings and high heels, which she kept on the whole time.

The Story:

Not all girls at Debbie's offer OWO, but Holly does, so I went for a massage, OWO and sex for ?70.

As I lay on my front, Holly quickly started kissing and licking between my legs, which was a great sensation.

After a bit, I turned over and was desperate to open her legs and lick her pussy.

It is a lovely, marshmallow pussy which tastes wonderful, and she let out gentle moaning noises as we had a long 69.

She has an excellent, very tender, oral technique, and I could have licked her pussy for the rest of

the afternoon.

She put a condom on and put my cock inside her, reverse cowgirl to start, before we did missionary, side spoons and I finished in doggy with her angelic face looking at the wall mirror.

During the sex, Holly let out more gentle moans - I got the impression it wasn't the best sex of her life, but that she was enjoying it - and she turned me on with a bit of dirty talk as I built up to climax.

This was very much a girlfriend experience, and Debs has got a really good girl there.

Sadly, Holly doesn't French-kiss, but I really can't fault her on any other aspect of her service.

She is a truly, innocent-looking delight.
