### The Premises:

Situated in the town centre within a minutes walk of a pay and display car park, it is a well kept "home" that is clean and very discreet. Felt totally safe in the hands of the lady, left my cell phone and wallet in the room whilst I had my shower, that is feeling safe.

### The Lady:

Gorgeous brunette, slim attractive and attentive, I did ask if she kissed, and with some girls, they say they do, but vicky kisses like she means it, makes a whole lot of difference to me. Only one other kisses like her, Holly, and she works there too, bonus.

### The Story:

Very relaxing and enjoyable, had a lovely massage and vicky was up for some oral receiving, i think she enjoyed it, I did, Vicky and Holly are number 10's if you want to rate them boys.
